COMPANY INTRODUCTION

WINBO-Dongjian was founded in 2003, specializing in designing, manufacturing and distributing of auto exterior decoration products mainly for SUVs, MPVs, Jeeps and Pickups. With 16 years of development, our main production base is about 1 million square feet, and we have more than 3,000 staff members.

Unique for an international company, our R&D facility features:

- In-house R&D and prototyping services with Capture 3D scanning capabilities and the latest CAD software to reduce engineering and development time, cut production cost and quickly bring your designs to the marketplace
- Technical writing center to ensure clear and concise instructions
- U.S., Europe and Africa based customer service, engineering and sales departments for quick service and immediate communications with our manufacturing facility

Our million-square-foot-plus, IATF16949 certified world class manufacturing facility features:

- Latest state of the art, computer controlled manufacturing technology including robot welding, CNC mandrel tube bending, laser jet and plasma metal cutting, CNC metal presses, metal brake and CNC bending equipment used extensively
- Full plastic and rubber injection molding facility with custom mold making capability

- In-house aluminum anodizing facility
- Engineering and testing facility capable of testing materials and finishes for all environments and conditions. Our testing facility features salt spray and metal coating testing; UV light, ozone and chemical resistance testing; high and low temp testing; vibration testing and much more
 - Full marketing support featuring point-of-sale materials, catalog design and layout, printing and full graphics support for all of your needs
 - OEM supplier for TOYOTA, HONDA, NISSAN, GREAT WALL, VOLKSWAGEN and other car manufacturers with world-wide product distribution.
 - Conveniently located, fully stocked warehouse for fast service
 - High strength, quality engineered packaging of all products to insure against damage during shipping

With full experience of overseas sales service, we are not only the Quality manufacturer but also a reliable partner of our customers.

R2 ALUMINUM ROLLER LID

COMPATIBLE WITH UNIVERSAL UTILITY BED RACK PW037939

COMPATIBLE WITH UNIVERSAL NEW MT ROLL BAR PW039278

Higher security and water-proof performance are easily recognised from the upgraded seamless curtain structure.

Integrated LED light is included with more care and thoughtfulness.

Enhanced lock offers more convenience and durability in use.

Separate locking handle for choosing multi-level closing position at ease.

R3 ALUMINUM ROLLER LID

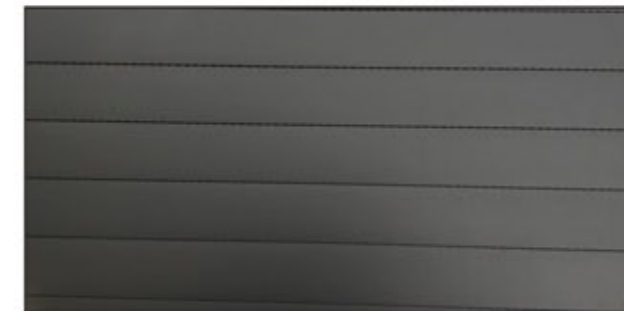

R3 ALUMINUM ROLLER LID

COMPATIBLE WITH MS MODULAR ROLL BAR

- Unique flat rail easily adapts to almost all roll bar styles in the market without using additional brackets, equipping your truck bed with more functionalities.
- The genius flat rail design lowers the windage while driving and is more fuel-efficient.

The upgraded curtain structure leaves barely no seam between hinges, tremendously enhancing security against theft and better sealing against water.

Enhanced lock with more convenience and endurance in use.

Integrated LED light is included for more user-friendliness.

FUTURISTIC DRAWER SYSTEM

ECO-FRIENDLY MATERIAL BUT MORE THAN THAT

- Made of harmless HDPE material, which benefits light-weight feature (at least 30% lighter than anyone in the market).
- Reinforced aircraft-grade aluminum configuration ensures the drawer system to stay firm in any situations
- Industrial grade heavy-duty drawer slides provide safety, soft-closing and hassle-free reset functions
- The platform has payload capacity of more than 400kgs (distributed evenly) and 80kgs per drawer (distributed evenly)
- Quick installation duration: two persons in 1 hour (For experts) and 1.5 hours (For green-hands)

LET'S GET ORGANIZED

- 6pcs dividers for two drawers offer you more compartments to place your equipments. The removable thick dividers will keep intact when suffer strike during emergency brake.
- Storage cans on both sides are excellent complements to your small packet. Cans are also lockable to keep your belongings safe.

WEATHERPROOF? OF COURSE

ALUMINUM PLATFORM TRACK (STANDARD)

- If you are looking to permanently mount tracks that provide a strong, low profile attachment point for Yakima or Thule rack systems, we get you to gear now.

The compatible cross bar is optional

SECURE (MOBILE SAFE)

- 2 * Lockable storage can in 1 key
2 * drawer in 1 key
Spare keys are offered for each lock together

BEER OPENER

- Let's get beer anytime with our futuristic drawer system.
